

KEY FACTORS FOR SUCCESSFUL UPTAKE OF BIOSIMILARS: EUROPE AND THE US

Measures Taken for Improving Biosimilar Uptake and the Potential Role of
Healthcare Providers and Patients

Wednesday, 29 June 2022 | 10:00 am – 12:00 pm (EDT)
Online Event

Agenda

An academic clinician with specialty in gastroenterology, a pharmacist, a patient advocate and a market access expert will share their experience with biosimilars, highlighting successes and challenges, their perspectives on prescribing and switching of biosimilars and measures to increase biosimilar adoption, including the role of healthcare providers.

- | | |
|---|---|
| 10:00 – 10:05 | Welcome
Michael S Reilly , Esq, Alliance for Safe Biologic Medicines |
| 10:05 – 10:25 | Keynote presentation
Impact of biosimilars in the US healthcare system and the path forward
Eric David Hargan , JD, Former United States Deputy Secretary of Health and Human Services |
| 10:25 – 10:35 | European prescribers' trust in prescribing and switching of biosimilars
Michael S Reilly , Esq, Alliance for Safe Biologic Medicines |
| 10:35 – 10:45 | US physicians' perspective in biologicals/biosimilars prescribing and substitution
Ralph McKibbin , MD, FACP, FACG, AGAF, Pennsylvania Society of Gastroenterology/
Digestive Disease National Coalition |
| 10:45 – 10:55 | Sustainable biosimilars market in Europe – policy considerations
Professor Philip J Schneider , MS, FASHP, FASPEN, FFIP, Ohio State University |
| 10:55 – 11:15 | Measures leading to successful uptake and the current state of market access of biosimilars in the US
Chad Pettit , MBA, Amgen |
| 11:15 – 11:25 | Patients' perspective on biosimilars use – Europe and the US
Andrew Spiegel , Esq, Global Colon Cancer Association |
| 11:25 – 11:55
Moderator
Panelists | Panel discussion and Q&A
